Dear Parents,

In line with legislation, all schools are legally required to teach the “Stay Safe” programme to all pupils.

Our school has been teaching this programme for a number of years and we wish to provide the following information:

- *Parents who require further information can log onto www.staysafe.ie .*
- *The school can provide any parent with a copy of the Parents’ Guide DVD which outlines the content of the programme.*
- *Any parents who wish that their child/children should not be taught this programme must inform the school, in writing, by Monday next January 15th of their decision.*
- *All pupils are taught this programme in a two year cycle, 4 times during their primary school lives.*
- *Our lessons will be taught during January/February.*
- *The sensitive RSE issues will be dealt with on a Parish basis as usual with an outside speaker meeting the pupils of 6th class only and their parents in May 2018.*

Any parent who wishes to inspect our Child Protection Policy is most welcome to do so and will be facilitated on request. Our Child Protection Policy is subject to annual review by the Board of Management in line with DES regulations.

Thank you.

*John O’ Mahony
Principal.*
